

# AFI, I Am Trying Very Hard To Be Here

Before you came what was your name?  
Did you look like me?  
No one's from here, no one my dear  
Not even the trees  
So change your name  
Just keep your face  
We're temporary anyway  
Before you came  
We played this game  
In our masquerade  
Flash, flash, car crash  
We're no fixtures  
Quick, now, quick  
Take our picture  
Flash, flash, car crash  
We're no fixtures  
What was your past?  
When was the last time  
That you recall someone you knew  
Was someone who asked nothing of you?  
So lose your past  
I'm sure you'll find  
It's in the way all the time  
Before you're through  
You're someone who  
Looks a lot like you  
Flash, flash, car crash  
We're no fixtures  
Quick, now, quick  
Take our picture  
Flash, flash, car crash  
We're no fixtures  
We can't, can't remember the seasons  
We chant in the man made snow  
We can't, can't recall the feelings  
We cannot show  
Flash, flash, car crash  
We're no fixtures  
Quick, now, quick  
Take our picture  
Flash, flash, car crash  
We're no fixtures  
Flash, flash, car crash  
We're no fixtures  
Quick, now, quick  
Take our picture  
Flash, flash, car crash  
We're no fixtures
