

# AFI, Miseria Cantare: The Beginning

Love your hate, your faith lost  
You are now one of us  
Love your hate, your faith lost  
You are now one of us  
Nothing from nowhere, I'm no one at all  
Radiate, recognize one silent call  
As we all form one dark flame  
Incinerate  
Nothing from nowhere, I'm no one at all  
Radiate, recognize one silent call  
As we all form one dark flame  
As we all form one dark flame  
As we all  
Love your hate, your faith lost  
You are now one of us  
Love your hate, your faith lost  
You are now one, one of us
