

AFI, Strength Through Wounding

Through our bleeding,
We are one!
Through our bleeding,
We are one!
Through our bleeding,
We are one!
Through our bleeding,
We are one!

Through the darkness breaks the light.
Through the light unending pain.
Deify the wretched ones,
Till the darkness comes again.

Through our bleeding,
We are one!
Through our bleeding,
We are one!
Through our bleeding,
We are one!
Through our bleeding, We are one!
