

# Afroman, Back 2 School

Man, my daddy told me  
Boy, when I was your age  
I had to walk 13 miles to school  
I said, "Oh, is that why you didn't graduate?"  
Talkin' noise with all of my homeboys  
Then we go back to school, yeah  
(Her titties bigger than they were last summer, know what I'm sayin'?)  
With a mouthful of beer and a nose full of weed  
You know, I been act a fool, yeah  
Mama  
(Mama)  
Go to the University of Smoking Marijuana  
(What?)  
All of my friends go to USC  
So I'm gonna tag along and hit the bong with them  
Walkin' through the masses, lookin' for my classes  
I can't concentrate on the teacher, surrounded by titties and asses  
Spend a lot of money on some brand new clothes  
Tryin' to impress these brand new hoes  
Laugh every time I have sex with a chick  
Baby, don't know, I'm an ex-convict  
Walkin' round the campus with my 'fro and dick  
Every twenty seconds, I'll be grabbin' my dick  
Full of alcohol at the football games  
Doin' more drugs than my nigga Rich James  
My GPA's droppin' at a very fast rate  
It would take a miracle for me to graduate  
Maybe I won't, maybe I will  
Stressed out, poppin' pills in my Coupe Deville  
Talkin' noise with all of my homeboys  
Then we go back to school, yeah  
(Her titties bigger than they were last summer, know what I'm sayin'?)  
With a mouthful of beer and a noseful of weed  
You know, I been act a fool, yeah  
How do I party?  
(Party)  
And still pass  
I hardly  
(Hardly)  
Ever go to class  
Got a golden eagle on my stolen Regal  
If you bought it from me, it's illegal  
'Cause I'm Afroman, the educated crip  
On a rock cocaine scholarship, cook that crack until it's done  
I use that for my Negro college fund  
Broke minorities, sellin' dope to those bitches in sororities  
She's drinkin' one too many 40's  
She took her clothes off, now we're havin' orgys  
Baby, I don't mean to act rude  
But you told me you would never fuck a black dude  
Colt 45 must have got you in the mood  
To eat a fat dick like sum soul food  
Talkin' noise with all of my homeboys  
Then we go back to school, yeah  
(Her titties bigger than they were last summer, know what I'm sayin'?)  
With a mouthful of beer and a noseful of weed  
You know, I been act a fool, yeah  
Hey fellas, can I get jiggy with it? Hey, check this shit out right here  
Hey homeboy, don't stress, I got the answers to the test  
My college professor smokes a lot of grass  
She's gonna make sure we pass  
That's how you pass trigonometry  
Sell dope to your teacher, use niggernometry  
On the microphone, there's not a rapper bomb as me

And when the police pushin', nobody's calm as me  
Wait a minute, you know what's fucked up  
Black people in college act stuck up  
So self-conscious, and insecure  
You wanna speak back, but you really ain't sure  
Look at me, what do you see?  
You see the OG, you ashamed to be  
So fuck you, you pretty little rich fat boy  
You can suck my dick just like that boy  
Talkin' noise with all of my homeboys  
Then we go back to school, yeah  
(Her titties bigger than they were last summer, know what I'm sayin'?)  
With a mouthful of beer and a nose full of weed  
You know, I been act a fool, yeah  
I said, "Honey  
(Honey)  
You got some sexy looks  
You need money  
(Money)  
To buy your textbooks"  
Get it wet, and I can get it hard  
We can slide your vaginal credit card  
Computer girl, come to my house and be my tutor girl,  
Before we study, can we smoke a little Buddha, girl?  
Raise your shirt, lick the nipples on your hooters, girl  
Open up your legs, baby you're the girl  
Stick out your tongue and let me shoot it, girl  
You was playin' with my floppy, then my hard drive downloaded  
Down your throat, and fuckin' exploded  
Tell your prejudice dad and mom  
To email their comments to suck my dick.com  
Afro's the bomb, blowin' up like Vietnam  
Talkin' noise with all of my homeboys  
Then we go back to school, yeah  
(Her titties bigger than they were last summer, know what I'm sayin'?)  
With a mouthful of beer and a nose full of weed  
You know, I been act a fool, yeah  
Talkin' noise with all of my homeboys  
Then we go back to school, yeah  
(Her titties bigger than they were last summer, know what I'm sayin'?)  
With a mouthful of beer and a nose full of weed  
You know, I been act a fool, yeah
