

Afroman, Lemon Pound Cake

The Adams County Sheriff kicked on my door
Then I heard the glass break
They found no kidnapping victims
Just some Lemon Pound Cake

Mamma's Lemon Pound Cake
It tastes so nice
It made the Sheriff wanna put down his gun
And cut him a slice

(Of what? Of what?)

Lemon Pound Cake
He wanna put down his glock

He's hungry and he's big as hell (hmmm)
He was sniffing for weed
Then he smelled another smell (what was that?)
