## After 7, He Said, She Said

aw Randy Ran what's up. we talkin bout girlies

If you think your wrong, then you know your right gettin into my buisness, just aint satisfied better stop dippin girl it dont become of you you got too much time on your hand oh baby

If your lovin me keep on lovin me dont let this silly girl distract you from me all she wants is to get you away from me, dont fall into that trap

He said, she said, we said, we dont need it he said, she said, we said we dont need it. (hook)

I know you want me but you cant have me my love is tied up with my girl right now you told her you saw me just the other day, kickin it with the invisible woman

How could you try such a silly willy game the two of us we're not havin it no way my sweet heart is my only lover dont play me like a sho nuff fool nooooo

(aw kevon here they come talkin that mess) (wait a minute, can I say somethin, the girlie aint got no buisness in my buisness) (that's right)

Repeat Hook 2X
