

# After 7, 'til You Do Me Right

After 7

Reflections

'til You Do Me Right

I was in love with you

And gave my heart to you

I did my best to keep you satisfied

You took the love from me

And used it selfishly

You did not give back your

Love to me at all

I gave the sun to you

You said it was too bright

I gave you diamond rings

You said they didn't shine

I gave my world to you

But you said it's not enough

What in the world could I have done

To make you be so rough

CHORUS:

'Til you do me right

I don't even want to talk to you

I don't even want to hear you speak my name

'Til you do me right

Only wrong is gonna come to you

Nothin' good is gonna come

'Til you change, change your ways

Until you change your evil ways

Girl I was there for you

Someone you could talk to

How could you just keep breakin' my heart

What did I do to you

To make you be so cruel

I don't understand why you've been so wrong

I tried to be your strength

You said I was too strong

I tried to compromise so

We could get along

I gave my love to you despite

Your evil ways

I guess it's clear to me there's only

One thing left to say

CHORUS

There's a time when you know what you

Feel inside your heart

It's tellin' you that somethin' feels strange

You don't have to deny it

All you gotta do is just try it

You'll find our love grows

Stronger if you're willing to change

CHORUS
