

After Edmund, Stealing Away

Why is it so hard for me to let go
And why is it so hard for me to dispose
Of all the sin I try to hide
And I run I don't know why
What's there left for me to do
You're stealing away every part of my heart
Come and replace all my selfish ways
Alter my world
Every part of my heart
Steal me away
Tell me who's to blame for the sin on my lips
I can't repair the stains that I tried so hard to fix
But You wipe away the stains
And in love You called my name
Now I'm running back to You
And I know that I can't last
And I know that I can't last without You
