

# After Forever, Energize Me

Energize me with a simple touch or with an open heart  
Energize me, fire up this flame that's burning between us

It's not a fantasy, another mystery  
It's just what I can feel, it's something I can see  
It's like a memory, an inner melody  
It's just what we all know, and we all hear

I was blind, I was closed down  
Could not feel or set it free

Energize me with a simple touch or with an open heart  
Energize me, fire up this flame that's burning between us

It lies in everyone this whirling energy  
It's all around us too, electrifying you  
So dare to set it free, this virtue is the key  
To something we all know and we all use

I can feel it's inside me  
Open up enlighten me!

Energize me with a simple touch or with an open heart  
Energize me, fire up this flame that's burning between us  
Energize me with a simple smile, open up your mind  
Energize me, activate the light that's given and taken

Can you believe in the power that's burning between us?  
Would you believe if you open up your mind, open up your heart

Energize me with a simple touch or with an open heart  
Energize me, fire up this flame that's burning between us  
Energize me with a simple smile, open up your mind  
Energize me, fire up this fire that's burning forever
