

# After Forever, Lonely

What would happen if I go?  
Just leave without any reason why  
Would someone wonder why?  
Would someone miss me?

What would happen if I couldn't take it?  
Just break without any signs up front  
Would someone pick it up?  
Or help me out?

'Cause life ain't easy for me,  
Ain't easy alone.  
This is my path, it's lonely

What would happen if change?  
Just wake up one day not quite the same  
Would someone wonder why?  
Would someone know how I was before?  
Would they like me better,  
Knowing I am not the one, I was?

Who I was?

Cause life ain't easy for me,  
Ain't easy alone.  
This is my path, it's lonely
