

After Midnight Project, Never Say Never

...Never say.
...Never say.

Our time has finally come,
This is the chance that we've
Been waiting for.

It all comes down to this,
Defining moment, we can,
Wait no more!

Never say never, never
Gonna stop us now. Maybe
Forever, always push the
pedal down.

Never say never, never
Gonna stop us now.

This is it, now it's all
On the line. Never say never,
Never gonna stop us now.
