

Against All Authority, Disobey

Hey!
Disobey!
Hey!
I'm not gonna listen to what you say

Hey!
Disobey!
Hey!
I'm not gonna listen

I won't listen to you if you say I'm outta line
I won't listen to you fuckin' rightwing slime
You try to hold me down (Down!)
But I pick myself back up (Up!)
Let's all skank together
And pick it up

I won't listen to you if you say I'm outta line
I won't listen to you fuckin' rightwing slime
You try to hold me down (Down!)
But I pick myself back up (Up!)
Let's all skank together
And pick it up, go!

Hey!
Disobey!
Hey!
I'm not gonna listen to what you say

Hey!
Disobey!
Hey!
I'm not gonna listen

I won't listen to you if you say I'm outta line
