

# Against All Authority, Justification

Justify  
(Justify your actions)  
Justify  
(Justify your actions)  
Justify  
(Justify your actions...)

How do you sleep at night  
'Cause I lie awake and burn inside  
When I think of all the shit you've done  
When I think of all the times  
I've tried to understand your motives  
But they are not justified  
You're only thinking of yourself  
But your choices, they affect all our lives

(Justify)  
Justify your actions  
(Justify)  
Justify your actions  
(Justify)  
Justify your actions...

Justify  
(Justify your actions)  
Justify  
(Justify your actions)  
Justify  
(Justify your actions...)

How does it feel to always think you're right  
You're never wrong, it's not your fault  
Well, who's gonna take the blame tonight  
I'm lost again on I-10 but it feels like home to me  
I don't know where I'm going, but I know where I want to be...

And that's away from you  
I'm not your commodity

Justify  
(Justify your actions)  
Justify  
(Justify your actions)  
Justify  
(Justify your actions...)

How does it feel to always think you're right  
You're never wrong, it's not your fault  
Well, who's gonna take the blame tonight  
I'm lost again on I-10 but it feels like home to me  
I don't know where I'm going, but I know where I want to be

Justify your actions

Justify your actions  
(Justify)  
Justify your actions...
