Against All Authority, Sweet Televised Destruction

Sit back and watch the world crumble. Humanity has stumbled. No commercial interuptions. Sweet televised destruction.

Wave your flag and chant the slogans. Watch digitized explosions. No Commercial interuptions. Sweet Televised destruction.

It's gonna swallow you and me this time. We've goone too far the world is in decline. One nation one people. No borders no evil. Burn the shrines that we've designed. Stand as one. Unified.

Controlling all our lives. Our backs are full of knives. State sponsored genocide. So sweet and televised

sweet televised destruction
