

# Against All Authority, When The Rain Begins To Fall

Shut us up and shut us down!  
(You can't shut us down!)  
Shut us up and shut us down!  
(You can't shut us down!)

Why do you see us as a threat  
We're only helping those that you forget  
Or maybe you haven't forgotten the needy at all  
But their votes just don't add up, so they don't amount to much at all!

Shut us up and shut us down!  
(You can't shut us down!)  
Shut us up and shut us down!  
(You can't shut us down!)

Your political agenda has managed to fail us  
All and if we organize ourselves the police will get involved  
We'll fight you in your courts and we'll fight you in your halls  
We'll fight you till you fuckin' fall  
You can attack food not bombs  
You can attack ABC but it won't be long  
Before you'll have to answer to us all  
'Cause you're the scum that'll be washed off the streets  
When the rain begins to fall

(You're the scum that'll be washed off the streets)  
When the rain begins to fall  
(Cause you're the scum that'll be washed off the streets)  
When the rain begins to fall
