

Against Me!, Mutiny On The Electronic Bay

It's an into the sunrise aesthetic,
let's pretend this is an informed consent.
That class division doesn't make an infantry,
there's no incentive,
no franchise opportunities.
And the magazine spreads of fashion models
gas masks in hand,
it's ok,
it's alright,
these are situations we learn to live in.
When an invasion can bring a country its freedom,
then unconsciousness is true happiness,
no, no, no
i don't know what to say...
