

# Agathocles, Didn't Ask

I'm not the one to blame,  
for me going insane,  
So who's to fucking blame,  
for your face to be maimed ?  
I didn't ask your bullshit,  
I didn't ask for it  
You're the one who made me do it,  
by provoking me, mister prick  
I've lost all control  
became a violent asshole  
no responsibilities,  
frustrations have been unleashed,  
I didn't ask your bullshit,  
I didn't ask for it  
You're the one who made me do it,  
by provoking me, mister prick
