

Agathocles, Squeeze Anton

Oh Anton, you're such a dick head,
Do you really think you're the lord of darkness ?
But your theories, we spit on that
Squeeze Anton, the fake satanist
Feed his guts to his dogs of hell
Squeeze Anton, skin his dick
Occultism is not a profitable thing.
When shall we get him ?
Shall we show any mercy ?
Shall we put an axe in the head ?
Shall we crack him ?
Anton and the white pope,
Are the same kind of jerks
Earning lots of money
By means of religious ignorance.
