

# Agathocles, Take a Piss

what the fuck do you want from me?  
what the fuck is there to see?  
don't pin your stereotypes upon me  
'cause you'll never, never know me  
people judge me because of my looks  
but I ain't no stereotype from TV nor books  
how the fuck can they claim to know me  
their distorted visions are labeling me  
how can you know- what I feel  
how can you know- what I need  
how can you know- what I wish  
fuck yourself- and take a piss
