Well of Happiness

Years, years I searched for this  
Found the right one? No I didn't  
Hypocrisy is all what remains  
Shall I be happier if I cut my veins?  
Are you my well of happiness?

Here I sit again, cry  
Wondering what's the point of my life  
Are you the one I was searching for?  
Or another deception which I can't take no more  
Are you my well of happiness or not?
