So you wanna borrow heavy, you train in vain  
You're like a last song lost yeah  
So you wanna be like your mates, So you disintegrate  
DESTROYREBUILDDESTROYREBUILDDESTROY  
You get the first sip of the last full glass of  
Nothing I'd say  
And boy tribal death Isn't glamorous  
Dead end mosaic, I'd say  
So you wanna borrow heavy, you train in vain  
You're like a last song lost yeah  
So you wanna be like your mates  
So you disintegrate  
DESTROYREBUILDDESTROYREBUILDDESTROY  
You get the first sip of the last full glass of  
Nothing I'd say  
And bad dreams, With Shakespeare craft  
Hero worship, Never lasts
