

Age Pee, When The Rain Begins To Fall

And when the rain begins to fall
you are my rainbow in the sky
and i will catch you if you fall
you never have to ask me why
and when the rain begins to fall
i'll be the sunshine in your life
you know that we can have it all
and everything will be all right
And when the rain begins to fall
you are my rainbow in the sky
and i will catch you if you fall
you never have to ask me why
and when the rain begins to fall
i'll be the sunshine in your life
you know that we can have it all
and everything will be all right
