

# Age Pee, When The Rain Begins To Fall

And when the rain begins to fall  
you are my rainbow in the sky  
and i will catch you if you fall  
you never have to ask me why  
and when the rain begins to fall  
i'll be the sunshine in your life  
you know that we can have it all  
and everything will be all right  
And when the rain begins to fall  
you are my rainbow in the sky  
and i will catch you if you fall  
you never have to ask me why  
and when the rain begins to fall  
i'll be the sunshine in your life  
you know that we can have it all  
and everything will be all right
