

Agent 5/9, Make My Day

What makes my day
Is you calling me when I have nothing to do
What makes my day
Is hearing your angelic voice all day
What makes my day
Can you figure it out
What makes my day
Just show me your face and it will be ok enough for me
One thing before I go I just want you to know
That you're the most beautiful girl
Your the only one that can touch me
In the heart and get away with it
Don't take me selfish when I say,
I want you every day.
What makes my day
Are your bright eyes
What makes my day
Are them staring into mine
What makes my day
Is you telling me how sweet I am
I'll remember forever
