

Agent Provocauter, Red tape

Tiny, tiny, a little thief
A petty, petty little criminal
Sit still, is that straight?
You know you got to concentrate
Pick it up, and put it in
You chose them bit by bit
A tiny tiny, a little thief
A petty, petty little criminal
Ride on, ride, ride on
Ride on, ride, ride on
Ride on, ride, ride on
Ride on, ride, ride on
Cello wrap and gaffa tape
Cello wrap and gaffa tape
Wrap me up and tear me down
Red tape for the bondage ground
Tiny tiny, a little thief
A petty, petty little criminal
Sit still, is that straight?
You know you've got to concentrate
Ride on, ride, ride on
Ride on, ride, ride on
Ride on, ride, ride on
Ride on, ride, ride on
Ride on
Cello wrap and gaffa tape
Cello wrap and gaffa tape
Wrap me up and take me down
Red tape for the bondage ground
Tiny, tiny, a little thief
A petty, petty little criminal
Tiny, tiny, a little thief
You know you've got to concentrate
Ride on, ride, ride on
Ride on, ride, ride on
Ride on, ride, ride on
Ride on, ride, ride on
Ride on
