

# Agent Provocauter, Red tape

Tiny, tiny, a little thief  
A petty, petty little criminal  
Sit still, is that straight?  
You know you got to concentrate  
Pick it up, and put it in  
You chose them bit by bit  
A tiny tiny, a little thief  
A petty, petty little criminal  
Ride on, ride, ride on  
Ride on, ride, ride on  
Ride on, ride, ride on  
Ride on, ride, ride on  
Cello wrap and gaffa tape  
Cello wrap and gaffa tape  
Wrap me up and tear me down  
Red tape for the bondage ground  
Tiny tiny, a little thief  
A petty, petty little criminal  
Sit still, is that straight?  
You know you've got to concentrate  
Ride on, ride, ride on  
Ride on, ride, ride on  
Ride on, ride, ride on  
Ride on, ride, ride on  
Ride on  
Cello wrap and gaffa tape  
Cello wrap and gaffa tape  
Wrap me up and take me down  
Red tape for the bondage ground  
Tiny, tiny, a little thief  
A petty, petty little criminal  
Tiny, tiny, a little thief  
You know you've got to concentrate  
Ride on, ride, ride on  
Ride on, ride, ride on  
Ride on, ride, ride on  
Ride on, ride, ride on
