

Agent Sparks, Camouflage

Find an action, take an action
Faced with life
Make it easy, make it easier
Say what you want
'cuz I'll do anything you say for you
Simple minded parasite
Put a gun in my hand
Oh, I'm not alright...

Satisfaction is making billions
Faced with life
A narrow mind makes many world wide problems - will you drive?
My headache is much more aware of you than I am

Simple minded parasite
Put a gun in my hand
Oh, I'm not alright...
Ah, Ah, Ah, Ah-Ah, Ah...

And someday you will ask yourself who you are
Ask yourself who you are
Ask yourself who you are
Ask yourself! who you are
Ask yourself who you are

Ah, Ah, Ah, Ah-Ah, Ah...
