

Agents Of Good Roots, Shortchange

Lyrics: Winn

Music: Winn

Lyrics:

Burn
Fire
Blaze
Steam

Take it from me
Watch your way
Take it from me Just the same

Dust off your cap
Grab your cup of tea
Open up your mouth
Don't forget to speak

Yeah, take it from me
Better watch your way
Ah, take it from me
You got the shortchange
Shortchange
Shortchange
Shortchange

Dark
Brain
Cold
Heart

Open up your book
Open up your eyes
Break open your head
Try to sympathize

Ah, take it from me
Better watch your way
Ah, take it from me
You got the shortchange
Shortchange
Shortchange
Shortchange

Pull the curtain
Choke the cloud
Speak in circles
Pluck the proud

Raise the floodgate
Fuck the free
Beat the children
To their knees
Their knees

Cool
Soft
Blue
Tear

Send the butler home
Get the laundry clean
Do the dishes first

Sing yourself to sleep

Ah, yeah take it from me
Better watch your way
Ah, take it from me
You got the shortchange
Shortchange
Shortchange
Shortchange
