

Agnes Carlsson, Everybody Knows

Girl I know you've been deceived
that your heart has been mistreated
He took your dreams and turned them to stone (yeah)
Hate to see you so upset but hey girl don't you forget
that I'm here for you, you are not on your own

[BRIDGE]

And you can always count on me and the reason
is you see

I'm never gonna lie, never wanna see you cry - oh
sometimes

[CHORUS]

Everybody knows everybody's soul to soul

Everybody knows this sound

Crashing to the floor you said

Pick the pieces up again

I won't let you down

Don't you keep busy distressing

The fun that you'll be missing

is out there it's all waiting for you

There's a dream with your name on it

so put it in your pocket

Jump right to the front of the queue

[BRIDGE]

[CHORUS x2]

Stop the tears you cry

I am here for you

When waters running dry

I'll be there for you

Time after time - there's nothing I won't do

It's the sound, it's the sound of my love for you

[CHORUS x2]
