

Agnes Carlsson, For Love

Agnes Carlsson: For Love

I know

I've put you to the test again

Like so many times before

You're starting to lose your faith in me

I know it's time for me to start to show

I'm not gonna let you go

We're not going down

Just take a good look in my eyes

...Without having you by my side

If we end it now

There's no reason to carry on

So please don't go

It's time to say goodbye

To the crazy things I've done

I'm gonna put it all behind

Cause I live my life for love

Listen to the words I say

Yeah I live my life for love

Listen to me when I say

I'm not gonna let you go

We're not going down

Just take a good look in my eyes

I live my life for love...
