

Agnes Carlsson, Love, love, love

My friends keep saying
That I need patience
Fools rushing, better slow down
They keep saying but good things come
But I don't wanna wait
My heart is saying, I'm not mistaken
The moment I saw you
My whole world started to change
You could be what I've been looking for
I come back for more
And I want you to know
I wanna feel love, love, love
Lift me up to the sky
Oh give me love, love, love
Take my higher than high
I will show you heaven
When I get you alone
I don't wanna wait anymore
You see right through me
Can't hide it for you
Do we remember, I refuse to for shame
It's not a crime to want love and more
It's happened before
And I want you to know
I wanna feel love, love, love
Lift me up to the sky
Oh give me love, love, love
Take my higher than high
I will show you heaven
When I get you alone
I don't wanna wait anymore
I'm waiting for a sign
You made up your mind?
Don't keep my hanging on forever
Don't waste another night
I don't wanna wait no more
I wanna feel love, love, love
Lift me up to the sky
Oh give me love, love, love
Take my higher than high
I will show you heaven
When I get you alone
I don't wanna wait anymore
I wanna feel love, love, love
Lift me up to the sky
Oh give me love, love, love
Take my higher than high
I will show you heaven
When I get you alone
I don't wanna wait anymore
I don't wanna wait,
I don't wanna wait anymore
