

# Agnes Carlsson, Right here, right now

Take my hand and walk with me  
Let me show you what I'm feeling  
What's going on inside of me  
Don't you know you have changed me?  
Don't you know my wishes all came true?  
You're my angel, now I wanna do it all for you

refren':

Right here, right now, nothing is impossible  
Right here, right now, I'm riding on a miracle  
I see your face and I feel your love  
and there's nothing I can do

Right here, right now, my heart  
my heart belongs to you  
Feels like yesterday to me (yeah)  
when you passed outside my window

And your vision caught my eyes  
Like you've known me forever  
Something made you turn and look at me  
In that heartbeat, I knew my destiny

refren'

For now and for always  
You'll be the one I love  
You'll be the one I turn to

refren' (2x)

My heart belongs to you
