

# Agnetha F, I Can't Reach Your Heart

I can't reach your heart  
You're near but yet so far  
Am I reaching for a star  
Am I aiming too high

I can't reach your heart  
Can it be that you don't care  
I'm not getting anywhere  
Though I try and I try  
I've told you so many times  
I'm in love with you  
Oh, what more what more can I say  
I wish I knew

I can't reach your heart  
We can't go on like this  
Though your lips are mine to kiss  
I can't reach your heart

[Instrumental]

Though your lips are mine to kiss  
I can't reach your heart
