I Wish Tonight Could Last Forever

It feels so good to be by your side

Oh, darling let me be your guide

From tonight let's stay together.

There's a blue moon up in the sky

Tonight, it's there for you and I

Darling, let my love surround you

Oh, but I'm so glad I found you.

Chorus:

I wish tonight could last forever

Oh, darling can we stay together?

From now on let's vow we'll never part

'Cos darling that will break my heart

And when the light brings tomorrow

Oh, darling, will it bring me sorrow,

Will you let me hold you in this way?

Oh, I wish tonight could last forever.

Tonight I feel it in the air

Just look around it's everywhere

Who knows where the night will lead us?

Oh, it feels so good to hold you tight

Hold you close without a soul in sight

We came together without warning

And stayed together 'til the morning.

I wish tonight could last forever

Oh, darling can we stay together?

From now on let's vow we'll never part

'Cos darling that will break my heart

And when the light brings tomorrow

Oh, darling, will it bring me sorrow,

Will you let me hold you in this way?

Oh, I wish tonight could last forever.

Oh, it feels so good to hold you tight

To hold you close without a soul in sight

Came together without warning

And stayed together til the morning.

I wish tonight could last forever

Oh, darling can we stay together?

From now on let's vow we'll never part

'Cos darling that will break my heart

And when the light brings tomorrow

Oh, darling, will it bring me sorrow,

Will you let me hold you in this way?

Oh, I wish tonight could last forever.

Oh, I wish tonight could last forever.
