

# Agnetha F, I Won't Let You Go

Some girls want to play with you  
Doing things that they really can't do.  
They think that love is a game to play  
They ought to know that I get my way.  
They look at you with starry eyes  
Very soon they all realize.  
Play with fire and your fingers burn.  
I wanna tell them they never learn.  
I won't let you go, no, no, no  
I'll never let go oh baby you know:  
There's a special kind of love  
There's something magic when we touch.  
I won't let you go, no, no, no  
I'll never let go, I just couldn't hide.  
All the love I feel inside  
I want you with me by my side  
By my side.  
I never dreamed I would stay with you  
Just one look and I knew you were true.  
One more day and I woke up to find  
I couldn't think you were on my mind.  
I can't believe those other guys  
Hanging round with that look in their eyes.  
They'll never know what I'll get from you  
I wanna tell them I never do.  
I won't let you go, no, no, no  
I'll never let go oh baby you know:  
There's a special kind of love  
There's something magic when we touch.  
I won't let you go, no, no, no  
I'll never let go, I just couldn't hide.  
All the love I feel inside  
I want you with me by my side  
By my side, by my side.  
Play with fire and your fingers burn  
I wanna tell them they never learn.  
I won't let you go, no, no, no  
I'll never let go oh baby you know:  
There's a special kind of love  
There's something magic when we touch.  
I won't let you go, no, no, no  
I'll never let go, I just couldn't hide.  
All the love I feel inside  
I want you with me by my side  
I won't let you go.
