Agnetha F, I Won't Let You Go

Agnetha Faltskog Miscellaneous I Won't Let You Go Some girls want to play with you Doing things that they really can't do They think that love is a game to play They oughta know that I get my way.

They look at you with starry eyes Very soon they all realize Play with fire and your fingers burn I wanna tell them, they never learn.

I won't let you go, no no no I'll never let go, oh baby you know There's a special kind of love There's something magic when we touch.

I won't let you go, no no no I'll never let go, I just couldn't hide All the love I feel inside I want you with me, by my side, By my side.

I never dreamed I wound stay with you Just one look, and I knew you were true One more day and I woke up to find I couldn't think, you were on my mind.

I can't believe those other guys Hanging round with that look in their eyes They'll never know I get from you I wanna tell them, I never do.

I won't let you go, no no no I'll never let go, oh baby you know There's a special kind of love There's something magic when we touch.

I won't let you go, no no no I'll never let go, I just couldn't hide All the love I feel inside I want you with me, by my side, By my side, by my side, by my side.

Play with fire and your fingers burn I wanna tell them, they never learn.

I won't let you go, no no no I'll never let go, oh baby you know There's a special kind of love There's something magic when we touch.

I won't let you go, no no no I'll never let go, I just couldn't hide All the love I feel inside I want you with me, by my side, I won't let you go...
