

# Agnieszka Smoleń, Love Me Anyway

even if you see my scars  
even if I break your heart  
if we're a million miles apart  
do you think you'd walk away?

if I get lost in all the noise  
even if I lost my voice  
flirt with the other boys  
what would you say?

could you  
could you  
could you love me anyway ?

i sit for better or for worse  
or am I just your good time girl  
can you still hold me when it hurts  
or would you walk away  
even if I scandalize you  
cut you down and criticize you  
tell a million lies about you  
what would you say

could you  
love me anyway  
could you  
pick up the pieces of me  
could you  
still love me

could you  
love me anyway  
could you  
pick up the pieces of me  
could you  
still love me

could you  
could you  
could you love me anyway ?
