

Agnostic Front, I Had Enough

I see right through your games
I know whats going on
You need a desperate change
You think youre the only one.
You got no sanctuary - as far as I can see
Youve got no power over me I disagree.
Set things straight - Im gonna set things straight
Ive had enough
You and me are gonna set things straight
Ive had enough
Ive got no time for this
My life is passing by
Theres nothing that Ill miss
Its time to say goodbye.
Ive had enough
cause youre too much
Ive had enough
youre just too much.
