

Agnostic Front, I Wanna Know

In a world of made up heroes
broken promises and zeros
I can't seem to see much worse than this

I wanna know, wanna know what's going on?
Wanna know what's going on today

In a world not fact but fiction
Fairytale and drugs addictions
I can't seem to see much worse than this

I wanna know
I wanna know
I wanna know
What's going on today!

I've got no feeling
I've got no feeling
there's no more feelings inside of me

In a world of constant hate
rape and murder chalked up to fake
I can't seem to see much worse than this

Everything is alright today
