## Agnostic Front, I Wanna Know

In a world of made up heroes broken promises and zeros I can't seem to see much worse than this

I wanna know, wanna know what's going on? Wanna know what's going on today

In a world not fact but fiction Fairytales and drugs addictions I can't seem to see much worse than this

I wanna know I wanna know I wanna know What's going on today!

I've got no feeling I've got no feeling there's no more feelings inside of me

In a world of constant hate rape and murder chalked up to fake I can't seem to see much worse than this

Everything is alright today
