

Agonoize, Bang Bang Goodbye

By the look into your eyes
I feel my rage
And have to Think twice
Youve turn Away
Now its to Late
All I Have left for you
Is Anger and hate

Youre not a part of me
Get out of my face
Get out of my way

Youre not a part of me
Cause youre not a part of me

Get out of my face
Get out of my way

I Suffer Well
Thats for Sure
For all These Things I killed
There is no Cure
No Chance for Guilt
With Fellings for Regret

Sometimes I feel like Ill blow off my head
Sometimes I feel like Ill blow off my head
Sometimes I feel like Ill blow off my head
Bang! Bang! Bang!

Youre not a part of me
Get out of my face
Get out of my way

Youre not a part of me
Youre not a part of me

Youre not a part of me
Cause youre a part of me

Get out of my face
Get out of my way

Youre not part of me
Cause youre a part of me

By the look into your eyes
I Feel Betrayed
By All Your Lies
The Time Is Right
The Feelings Are Dead
Sometimes I feel like Ill blow off my head

Sometimes I feel like Ill blow off my head
Bang Bang Bang.
