

Agraceful, The Things We Believe

Show me their eyes
For I'd like to see all the things that you've left for days
These are the ones that you've abandoned
And this is the home that You've built for me
Teach this hands as we're raising them to the sky
Pull me closer to You
For I need to know what it feels like to be by Your side
My God we will remain the same
Just tell me You don't have to go
My God make me believe and make me whole
How can we be so secure in the things we believe?
These are the things we know
These are the things we love
I pull myself back up
