

# Agression, Dear John Letter

now

baby don't you write me no dear john letter  
don't you think i deserve a little better  
well the first time that i saw you i knew i had to get you  
but i didn't know that i would be your babysitter  
cuz you loved me just like you wrote the book  
a look and a promise was all that it took  
you didn't really see me i guess you didn't look  
i can always tell when i've been let off the hook
