At Last

At last,

My love has come along

My lonely days are over

And life is like a song

At last,

The skies above are blue

My heart was wrapped up in clover

The night I looked at you

I found a dream,

That I could speak to

A dream that I can call my own

I found a thrill, to press my check too

A thrill that I have never known

You smile,

You smile

Whoa and then the spell was cast

And here we are in heaven

For you are mine

At last
