I'm leaving today

Living it, leaving it to change

Slowly drifting into a peaceful breeze

Tongue tied, twisted are all my memories

Celebrating a fantasy come true

Packing all my bags finally on the move

I'm leaving today

I'm living it, leaving it to change

As I'm driving I'm captured by the view

Of so much beauty, the road becomes my muse

The heat is rising and my head soars through the wind

Cool, calm, collective is a child that lost a thing

I'm leaving today

I'm living it, I'm leaving it to change

I'm leaving today

I'm living it, I'm leaving it to change

But somehow I'm missing

I think I really miss it

Don't walk away

And I'm feeling like I've never felt before

Turn down the memories of yesteryears and broken dreams

I'm free, finally free

Slowly drifting into a peaceful breeze

I'm leaving today

I'm living it, leaving it to change

See I'm leaving today

I'm living it, I'm leaving it to change

I'm leaving today (I'm leaving it to change)

Living it, I'm leaving it to change

Living it, leaving it

Said I'm living it, leaving it

Living it, leaving it to change

(I'm leaving it to change)

But somehow I miss it

I think I really miss it

One day
