Just Be Free

Dream A Dream

I dream, there's nothing that's too tough

There's nothing that's hard enough

For me and you, to get through

And I know, that with your hand in mine

There's not a goal, we can't reach in time

Life can bring us down, you see

Sometimes it's been our destiny

But I foresee, possibilities

For you and me, ohh

I can hold the faith, I know

That will see us through, it all

I have had a dream

(I have had a dream)

You and I can

Get through anything

(Get through anything)

Don't you ever say never, because

I have dreamed a dream

(I have dreamed a dream)

I know, I know we can

Get passed everything, ohh no

I feel, all can become real

Nothing's too impossible

For us to do, ohh and

I see, endless opportunities

We can reach oh, if we both believe, ohh

Sometimes hoping's not enough

The paths ahead can be so tough

But if we stay, confident we'll see

A brighter day, ohh

I can hold the faith, I know

That will see us through, the end

Ohh ooh, oh yeah yeah

I have had a dream

(I have had a dream)

You and I can

Get through anything

(Get through anything)

Don't you ever say never, because

I have dreamed a dream

(I have dreamed a dream)

I know we can

Get passed everything, ohh no

I have dreamed a dream

(I have dreamed and dream)

You and I

Can get through anything

(Get through anything)

Don't you ever say never, because

I have dreamed a dream

(I have dreamed a dream)

I know, we can, oh

Get passed everything, ohh yeah oh
