I Turn To You

When I'm lost in the rain
In your eyes I know I'll find the light
To light my way
And when I'm scared
And losing ground
When my world is going crazy
You can turn it all around

And when I'm down you're there
Pushing me to the top
You're always there giving me all you've got

For a shield from the storm
For a friend, for a love
to keep me safe and warm
I turn to you
For the strength to be strong
For the will to carry on
For everything you do
For everything that's true
I turn to you

When I lose the will to win
I just reach for you
And I can reach the sky again
I can do anything
'Cause your love is so amazing
'Cause your love inspires me
And when I need a friend
You're always on my side
Giving me faith
That gets me through the night

For a shield from the storm
For a friend, for a love
To keep me safe and warm
I turn to you
For the strength to be strong
For the will to carry on
For everything you do
For everything that's true
I turn to you

For the arms to be my shelter
Through all the rain
For truth that will never change
For someone to lean on
For a heart I can rely on through anything
For that one who I can run to...

For a shield from the storm
For a friend, for a love
To keep me safe and warm
I turn to you
For the strength to be strong
For the will to carry on
For everything you do
For everything that's true
I turn to you
For a shield from the storm
For a friend, for a love

To keep me safe and warm
I turn to you
For the strength to be strong
For the will to carry on
For everything you do
For everything that's true
I turn to you

I turn to you...
