

# Aguilera Christina, When You Put Your Hands On

Aguilera Christina  
Christina Aguilera  
When You Put Your Hands On Me  
When you put your hands on me..  
When you put your hands on me..

I don't know about the travel of time  
And I've never seen most of the world  
I don't know  
Diving out of the sky  
Or living like the diamonds  
of pearls

See I haven't danced to a musical tune  
And I haven't noticed the flowers in bloom  
I haven't smiled  
When alone in my room very much  
Then we touched

Chorus:  
I just know  
When you put your hands on me  
I feel sexy  
And my body turns to gold  
I just know  
When you put your hands on me  
I feel ready  
And I lose my self-control

When you put your hands on me..

I don't know if a doll can unwind  
Or how to make a person go  
I don't know how to be what you like  
And simply open up the depth of my soul

So I keep my wings  
And my eyes on the down  
Ready for nothing  
But holding my ground  
I haven't used  
A particular noun very much  
Then we touched

Chorus

When you put your hands on me..  
When you put your hands on me..

I won't notice  
Or pay you no mind  
Boy I couldn't care less  
What you do with your time  
Your fingertips on my hips  
Just move me like one of a kind

When you put your hands on me  
I feel so sexy  
And my body turns to gold  
I just know  
When you put your hands on me  
I feel ready  
And I lose my self-control

Chorus To Fade
