[Verse 1]

Daechwita Daechwita play it loud Daechwita  
Glitter, glitter look at my crown glitter  
Remember, remember days gone by remember  
We so fly, we so fly private jet we so fly  
Yeah uh, born a slave but now a king  
Berserk tiger Gwanghae flow  
Born in a ditch but rise up a dragon  
That's the way I live  
Sorry but don't worry  
I got lots to lose  
Shove the past into a rice chest  
I'm about to dine on what I know is mine  
Shut up, yeah, you calling me a pup, yeah  
I was born a tiger, I ain't no weak pill-popper like you  
Pathetic fucks putting on a talent show  
Not gonna lie what a shitshow  
I got no pretensions just kill 'em all  
Ain't no exceptions I watch you fall  
Flexing I got none  
I don't need one  
Who's the king, who's the boss  
You all know my name  
All shit-talk they got no game  
Off with their heads

[Chorus]

Daechwita Daechwita play it loud Daechwita  
Daechwita Daechwita play it loud Daechwita  
Daechwita Daechwita play it loud Daechwita  
Daechwita Daechwita play it loud Daechwita  
Daechwita Daechwita  
Daechwita Daechwita play it loud Daechwita  
Daechwita Daechwita play it loud Daechwita

[Verse 2]

Hit this town then cut and run in a jet  
This country's too small to hold me in yet  
Woo, who says time is money  
My time is worth more than that  
Tic tok, got a stick up your ass  
I'm about to spit in your face  
Revenues keep going up-up-up-up-up-up and up  
Everyday, Bang PD goes dance-dance-dance-dance-dance-dance  
I'm so thankful I'm a genius  
That's your excuse for popping pills, cry me a river you just got no skills  
I got everything I wanted, what more'll make me feel contented  
I wanted clothes clothes, then money money, then goal goal now what's next  
Yeah what's next, here comes my reality check there's nowhere higher  
I only looked up and now I want to look down and put my feet on the ground  
I'm a king, I'm a boss  
Remember my name  
All shit-talk they got no game  
Off with their heads  
I'm a king, I'm a boss  
You all know my name  
All shit-talk they got no game

Off with their heads

[Chorus]

Daechwita Daechwita play it loud Daechwita  
Daechwita Daechwita play it loud Daechwita  
Daechwita Daechwita play it loud Daechwita  
Daechwita Daechwita play it loud Daechwita  
Daechwita Daechwita  
Daechwita Daechwita play it loud Daechwita  
Daechwita Daechwita play it loud Daechwita
