

# Ahead To The Sea, Sing With The Sirens

Sing with the sirens, sing with the sirens  
Screaming and shouting, breaking the silence  
Sing with the sirens, sing with the sirens  
Under they go...

All those ships who sail out to invade and start wars  
Shall be misled and wreck  
Shall be misled and wreck at our shores

To the bottom of the sea their captains shall drown  
If you sail close to the wind  
If you sail close to the wind... they should have known
